

Tips to assure beautiful photos throughout your wedding day.

1. Is there a location that is special to you?

Do your best to make sure that it be available on your wedding day. Also, make sure to allow enough time in your schedule for the schedule.

2. Be comfortable enough with your photographer.

Let her know when you need a break from taking photos. You will be more relaxed and beautiful if you are rested. This day is all about you!

3. Do you have ideas?

Maybe you've seen something your friends' weddings, photos or magazines that you'd like to incorporate. Share them with us so we can have an idea of what you enjoy. We will do our best to include them with your photos.

4. Our goal is to photograph you at your best!

If there is something specific that you want in your photo that will show you when you are most comfortable, please share that with us and we can do our best to accommodate when possible!
